

Privacy Policy

Protecting your private information is our priority. This Statement of Privacy applies to the www.diyhuntingmaps.com and ***DIY Hunting Maps LLC*** and governs data collection and usage. For the purposes of this Privacy Policy, unless otherwise noted, all references to DIY Hunting Maps LLC include j4west.com. The DIY Hunting Maps' website is a ecommerce site. By using the DIY Hunting Maps website, you consent to the data practices described in this statement.

Collection of your Personal Information

DIY Hunting Maps may collect personally identifiable information, such as your name. If you purchase DIY Hunting Maps's products and services, we collect billing and credit card information. This information is used to complete the purchase transaction. DIY Hunting Maps may also collect anonymous demographic information, which is not unique to you, such as your gender. We may gather additional personal or non-personal information in the future.

Information about your computer hardware and software may be automatically collected by DIY Hunting Maps. This information can include: your IP address, browser type, domain names, access times and referring website addresses. This information is used for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the DIY Hunting Maps website.

DIY Hunting Maps encourages you to review the privacy statements of websites you choose to link to from DIY Hunting Maps so that you can understand how those websites collect, use and share your information. DIY Hunting Maps is not responsible for the privacy statements or other content on websites outside of the DIY Hunting Maps website.

Use of your Personal Information

DIY Hunting Maps collects and uses your personal information to operate its website(s) and deliver the services you have requested.

DIY Hunting Maps may also use your personally identifiable information to inform you of other products or services available from DIY Hunting Maps and its affiliates. DIY Hunting Maps may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered.

DIY Hunting Maps does not sell, rent or lease its customer lists to third parties.

DIY Hunting Maps may share data with trusted partners to help perform statistical analysis, send you email or postal mail, provide customer support, or arrange for deliveries. All such third parties are prohibited from using your personal information except to provide these services to DIY Hunting Maps, and they are required to maintain the confidentiality of your information.

DIY Hunting Maps may keep track of the websites and pages our users visit within DIY Hunting Maps, in order to determine what DIY Hunting Maps services are the most popular. This data is used to deliver customized content and advertising within DIY Hunting Maps to customers whose behavior indicates that they are interested in a particular subject area.

DIY Hunting Maps will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on DIY Hunting Maps or the site; (b) protect and defend the rights or property of DIY Hunting Maps; and, (c) act under exigent circumstances to protect the personal safety of users of DIY Hunting Maps, or the public.

Use of Cookies

The DIY Hunting Maps website may use "cookies" to help you personalize your online experience. A cookie is a text file that is placed on your hard disk by a web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a web

server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the Web server that you have returned to a specific page. For example, if you personalize DIY Hunting Maps pages, or register with DIY Hunting Maps site or services, a cookie helps DIY Hunting Maps to recall your specific information on subsequent visits. This simplifies the process of recording your personal information, such as billing addresses, shipping addresses, and so on. When you return to the same DIY Hunting Maps website, the information you previously provided can be retrieved, so you can easily use the DIY Hunting Maps features that you customized.

You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the DIY Hunting Maps services or websites you visit.

Security of your Personal Information

DIY Hunting Maps secures your personal information from unauthorized access, use or disclosure. When personal information (such as a credit card number) is transmitted to other websites, it is protected through the use of encryption, such as the Secure Sockets Layer (SSL) protocol.

Opt-Out & Unsubscribe
